It's back, bigger and better, with new stories & illustrations! First published in 1984, the book recounts the delightful story of two stray dogs who roamed the streets of San Francisco in the early 1860s, as reported in newspapers of the period. In a new introduction, Barker compares these contemporary accounts with the myths that have evolved around Bummer and Lazarus. Herb Caen called the original "a wonderful addition to the shelf of Sanfriscana."
