#### Nature is Awesome: Fun Facts and Pictures for Kids Speedy Publishing

A book about nature sparks a child's imagination by introducing a child to the unique. Children are interested in things like where do certain animal come from and where does the rain come from. Children are also interested in the sky and how far away it is from the ground. Nature will also teach children how animals and insects get their food. This will force children to paint a picture of this in their mind. This picture will become real to children of all ages.
