The Bigger Picture is a radical and powerful organization of dominant women. Their purpose is to turn young men into ultra glamorous she-male housemaids serving wealthy women and demanding men. Shelly manages to escape their strict training program and shelters with Mrs. Ambrose, a beautiful and glamorous widow who runs a rival academy. But it's not long before the beautiful and severe agents of the Bigger Picture track her down and return her to captivity, where her erotic torments and re-education continue, with an even greater creativity and extremity than ever before.
