Guided: Her Spirit Guide Angels Were Her Best Friends and Life Coaches Linda Deir

In 1994, a spirit guide angel materialized right in front of Linda when she had a camera in hand. *They* said *they* appeared so the world could believe. Now seeing is believing! This photo is on the cover of *Guided*.

From early childhood, Linda Deir experienced something most of us miss - she realized she was being guided. Now, after a lifetime of being guided, she shares what she has learned and, most importantly, how she learned it.

A survivor of child abuse, at just 20 months old baby Linda knew her life was in danger. Unloved, abused, and out of options, she shook the gate latch until it opened and ran away from home.

Two policemen found her miles from home, barefoot, in diapers, running down the median of a busy California expressway. When asked where she was going, she answered, "I'm going to find my daddy. Something's wrong with Mommy!"

Only after the policemen bribed her with candy did she point out how to get back to her house, where her mother pretended to be grateful she was returned home. However, when the police were assured she was safe, they left, and her mother beat her unconscious.

Waking up on the floor unable to walk, she found herself right back in the hell she had tried to escape from. Now completely out of options, she cried out loud for help. To her surprise, *they* answered. Her spirit guide angels all surrounded her! She felt loved and safe for the first time in her life. Linda no longer felt like a victim. *They* told her, "Life will get better for you as you get older...if you can make it through childhood" - a prophecy and an eerie warning.

Guided speaks directly to you as this true story is told by the person who lived it. *Guided* is a suspenseful true-life autobiography - an intriguing and thought-provoking spiritual journey that makes the paranormal seem normal and the impossible possible. *Guided* speaks directly to you as it changes your perceptions, so your spirit guide angels can finally reach you.
