In the Shadow of the Eiffel Tower: Adventure, Intrigue, and Seduction in Paris Lisa Mortara

If Paris didn't exist, she would have to invent it ... Twenty-two-year-old American Haley Morgan returns to Paris in 1979, intent on making her mark in the city she loves more than anything else. Paris is hers, and she longs to scour every corner of the City of Light, including its shadows. While exploring, she falls for two young Frenchmen whose friendship leads to adventure and a tricky romantic triangle. Yet Paris's ambiguous undercurrents continue to beckon. Broke but ambitious, and determined to maintain her independence, Haley descends into the murky world of cultural and political intrigue surrounding the U.S.-Iranian hostage crisis. When an intelligence agent asks her to spy, she recalibrates her moral compass and agrees...for money. Rules are made to be broken, right? Unless the price is danger, or even death...
