My Book of WRITING WORDS This book is for children that can recognize and write short rhyming words and phrases. Words that are familiar to children are grouped by similar vowel and consonant combinations - such as blue, plane, and flag. By repeatedly saying and tracing these words, children can broaden their vocabulary and understand the connection between consonant and vowel pairings and the sounds they represent. Ages 5-7. **My Book of MAZES: ANIMALS** Building on the skills developed through Kumon's tracing books, My Book of Mazes: Animals uses an engaging animal theme to focus on improving children's fine motor control and spatial reasoning abilities, both of which are vital for later success in school. Ages 3-5. This workbook will help your child develop an understanding of subtracting the numbers 1 through 5 from whole numbers up to 20. By using this book, children will be able to understand the concept of subtraction by repeatedly tracing and reciting numbers both forwards and backwards and then gradually shifting to subtracting the numbers 1 through 5. Ages 6-8.
