To Catch a Bouquet (Princess Cruises Presents: Kindle Love Stories) Carolyn Brown

A straight-talking redhead, a tried-and-true cowboy, and a magical week on the high seas.

Annie Grace Thomas would rather be hauling hay than spending a week on a cruise ship, no matter how spectacular it happens to be...at least until she meets Clint.

Clint McCall wouldn't be on that ship if it weren't for his parents' wedding anniversary and vow renewal—a family celebration he couldn't possibly refuse to join. But when a bouquet unexpectedly comes sailing through the air at him—and he looks down at the cute little redhead who is holding the other side of it—little does he know that his life is about to change forever.
