Our need to love and be loved is a driving force. We crave love; we passionately desire love; we will die for love. Yet as we encounter painful situations and endure heartache and disappointment, we are shocked to discover that our love grows cold. How could love-as vital as our breath-have eluded us?

You are invited to enter the heroic heights of God's kind of love, and let yourself be re-created in Christ, with a vibrant new kind of aliveness that resonates with beauty and strength. As the unrestricted flow of God's agape love surges through you to others, you will be immersed in God's life-changing power - and you will experience a delicious love-absorbed life.

What do other people say? "For the first time I was able to hear the profound depths and heights of God's love for us. I sat back with tears on my cheeks, amazed that God created me to share in this astonishing love. Then there were another kind of tears as I realized the ways I had kept God's Love at a distance. This book started me on the path to saying 'yes!' from my heart to the incredible love of our Father for all people. Imagine - we were created by Love to love others!"

"This book provided insight into how and why to love a difficult person. My old definition of love did not match God's agape love and this explained why my relationships kept falling apart. I liked the stories of what love looks like when life is hard. The stories helped me understand how to let God's love flow through me to others. My life is changing and I'm telling my friends to get this book!"

Extensive Bible verse footnotes help track the scriptural basis of this book.
