Final Verdict

Sheldon Siegel

Final Verdict Sheldon Siegel

Fate throws a curveball at the San Francisco ex-husband-and-wife legal team of Mike Daley and Rosie Fernandez, when Mike picks up the phone and hears the voice of Leon Walker. This is not good news because Walker was the one who ruined their marriage. Years ago, he and his brother participated in a stickup that left a man dead. Through a series of (some said) questionable maneuvers, Mike got the charges dropped, but he and Rosie fought about it all the time and it finally drove a wedge between them.

Now, a Silicon Valley venture capitalist has been found dead in a dumpster on San Francisco's skid row. The new murder has been pinned on Walker, but he not only tells Mike he is innocent, he says he is a dying man and doesn't want to go to his grave proclaimed a murderer. Dogged investigation, courtroom nimbleness, and a healthy dose of luck usually have helped Mike before, but it looks like it'll take more than that to prevail this time, and his time is running out-both on his client and, just maybe, on his partnership.

Filled with wonderful characters and suspense and more than a touch of humor, *Reasonable Doubt* is, like the author's first three books, a page-turner.
