## **HOW TO FIND A MAKE-BELIEVE HUSBAND**

**by Katie Logan**

**Don't:** Ask the private detective who is trying to prove you are *not* married.

**Do:** Whack him over the head with a frying pan when you catch him spying on you!

**Don't:** Notice how sexy he is as you're soothing the bump on his head.

**Do:** Tell him he's your husband once you realize he has amnesia.

*But whatever you do,*

**Don't:** Check into a motel room while he's convinced you're married—especially if the detective is Travis Ryder, a real hunk whose kisses make you forget this marriage is only make-believe!

### From reader reviews:

#### **Paul Ring:**

As people who live in often the modest era should be update about what going on or data even knowledge to make them keep up with the era that is certainly always change and move ahead. Some of you maybe can update themselves by reading through books. It is a good choice for yourself but the problems coming to you is you don't know what one you should start with. This My Favorite Husband is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in this era.

#### **Kristen Blasingame:**

Reading a book to get new life style in this season; every people loves to go through a book. When you go through a book you can get a lots of benefit. When you read publications, you can improve your knowledge, mainly because book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you want to get information about your study, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, this kind of us novel, comics, along with soon. The My Favorite Husband will give you new experience in studying a book.

#### **Roosevelt Alday:**

Many people spending their time frame by playing outside along with friends, fun activity along with family or just watching TV the entire day. You can have new activity to pay your whole day by examining a book. Ugh, do you consider reading a book will surely hard because you have to bring the book everywhere? It all right you can have the e-book, getting everywhere you want in your Cell phone. Like My Favorite Husband which is having the e-book version. So , try out this book? Let's observe.

#### **Douglas Ham:**

As a student exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just tiny students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this My Favorite Husband can make you really feel more interested to read.
