**Silencer (Thorn Series Book 11)** James W. Hall

*A father's murder and a son's ruthless betrayal are at the heart of the new novel by "master of suspense" (Publishers Weekly) James W. Hall*

Earl Hammond, the wealthy patriarch of a family of ranchers, lies dead, shot just as he was to donate his Coquina Ranch to the state to preserve it from developers. Spearheading the plan to save this environmental treasure was Thorn, a reluctant heir to a secret family fortune, who now finds himself in terrible danger as well. A pair of deviant brothers, both contract killers, kidnap him and drags him to a game preserve, surrounded by herds of exotic and very dangerous animals. He is entrapped in a sinkhole—a geological dungeon from which there is no escape.

But Frisco Hammond, the dark sheep of the family, is drawn into the investigation of his father's murder and Thorn's disappearance. He suspects the crimes are related. Helping him is his brother's beautiful, troubled wife, Clare. They uncover a trail that leads back to the 1930's, to a cabal of powerful and rich men with a sinister plan.

Silencer pits brother against brother and wife against husband in a thriller that proves once again that James Hall is "the king of the Florida-gothic noir" (Dennis Lehane).
