You are unique. You have been created and invited by God to participate in his kingdom work. Yet, you have probably also experienced feelings of uncertainty about how to serve God, about what gifts you have to use, and about God's purpose for your life. In these studies, R. Paul Stevens helps you to recognize your spiritual gifts and the gifts of others. And he leads you to consider how to practically use these gifts to glorify God in your relationships, your work and your world. This revised LifeGuide Bible Study features additional questions for starting group discussions and for meeting God in personal reflection, together with expanded leader's notes and a "Now or Later" section in each study.
