## The Second Coming of the Star Gods Page Bryant

Set amidst the haunting, mysterious beauty of Ancient Egypt, *The Second Coming of the Star Gods* is an epic tale of magic, political intrigue, and mythology. Rich in historical and mystical detail, the story centers on Khem and Tiye, two young apprentice priestesses in the Temple of the Sun.

As the girls are initiated into the secret arts of dream interpretation, astronomy, and astral travel, a battle for the great empire's throne is being waged between the Pharaoh and his half-brother--a battle in which the young apprentices will unwittingly play the decisive role.

Engaging and hypnotic, *The Second Coming of the Star Gods* creates characters and a world so real you won't want to soon leave.

#### **Amy Smith:**

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's heart or real their interest. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Second Coming of the Star Gods can make you sense more interested to read.
