Asinine Quotes: Republican to English Translations David Rose

WARNING: If you consider yourself a Republican do NOT buy this book! You will be offended, you will be embarrassed, and you might even be forced to reconcile the absurdity of your delusional worldviews.

Over 300 offensive, outrageous, and downright idiotic quotes by Republican politicians. Chapters include Republican quotes about poor people, black people, women, gay people, immigrants, the environment, science, religion and much more.

Each quote is followed by a “translation” that accentuates just how asinine the actual quote really is, as well as a brief and usually humorous commentary.

The author takes a “hang ‘em with their own words” approach to looking at contemporary politics that will have you laughing out loud and questioning the sanity of your Republican friends and acquaintances, not to mention the nitwits they elect.
