Bad President

Filled with hilarious, undoctored photographs, cutting captions, "Bad President Early Warning Signs," and "Sad Truths" about the Bush administration, "Bad President" captures the US commander-in-chief doing what he unintentionally does best - the word "clueless" comes to mind - and delivers a book's worth of long-overdue laughs. Releasing in early October, this is the perfect impulse gift for anyone counting down to the end of this administration, or just needing more ammunition to make fun of Americans!
