Would you like to learn exactly how you can read the body language of others in order to better understand their true feelings & intentions?

Would you like to know exactly how you can exert a powerful yet subtle influence on those you interact with in your personal and romantic relationships, as well as in your work life?

If the answer to these questions is yes, this book will provide you with the answers you've been looking for!

It is not too much of an exaggeration to say that body language is perhaps the defining factor in how others form their impressions of us. With studies showing that up to 70% of our communication is non-verbal, what you say is not nearly as important as the messages we all give off non-verbally. Despite this, most people are not consciously aware of their own body language or the body language of others.

Now, with the help of this incredible book, you have the opportunity not only to learn how to decipher what others are truly thinking and feeling, but also how to use your own body language to exert powerful yet subtle influence in all areas of your life, from your personal relationships, romantic encounters and your work life.

In this book we will look at:

- Why body language exists - the reasons for it from an evolutionary standpoint, and how it impacts our lives to this day
- How we exhibit non-verbal communication through various parts of our body- the face, eyes, arms & legs - and how to read each
- How our voice can give away our true thoughts feelings - Why understanding the tone and pitch we speak at is so important to be aware of and how to send out the right messages to those you are talking with
- Gestures - Their root meanings and how to use them to influence others most effectively
- What your posture says about you and how to use it to your advantage rather than your detriment
- How you use body language in the work place - Using non-verbal communication to give yourself the best opportunity land your dream job, exerting powerful influence while in meetings, and giving a memorable presentation.
- Power poses - What they are and how and when to use them in order to exert massive influence
- Exactly how you can use body language to build stronger connections with friends and family
- How using non-verbal communication in the right way can make you a more effective parent
- The power of body language when dating - the signs to look out for in a potential partner and how to use non-verbal communication to give yourself the best chances of success!
- Non-verbal communication across cultures - avoid slip-ups and cultural insensitivity when communicating with those from other cultures and countries
- Being aware of dangers signals - How an understanding of body language can help you avoid deception and potentially dangerous situations
