Echoes in Eternity: A Love Story 50 Years in the Making Barbara Jennings

Barbara Jennings writes a compelling, riveting and personal story about a highly unusual, and sometimes controversial, relationship spanning 50 years in her new book, *Echoes in Eternity*. Inspired by the quote: How you live your life echoes in eternity, it highlights an incredible man who humbly and quietly touched the lives of countless people in inspiring ways that left them changed forever.

She admits she has made huge mistakes in her life, but she hopes she might also make a difference with this story. Her poignant and sometimes shocking account of their youth, courtship, marriage, divorce, and deep continuing friendship is a testament to what can happen when love, rooted in God, triumphs against all odds and forgiveness abounds. She also shares 15 insights garnered through her life and her time caring for a terminal patient to guide others going through similar circumstances.

Echoes in Eternity is the story of two ordinary people whose journey through life's extraordinary challenges drew them closer to God and closer to each other.

Proceeds from this book will be donated to the research and treatment of cancer.
