North Reich

Robert Conroy

North Reich Robert Conroy

American military forces are focused on fighting Japan after Pearl Harbor. Hitler's army has taken Stalingrad, defeated opposing countries in Western Europe, England has surrendered, and German troops, including the terrifying Gestapo, now control Canada, with a puppet government in Ottawa.

Many historians consider Hitler's greatest blunder was declaring war on the United States in 1941. Award-winning author Robert Conroy presents an exciting alternate history scenario, where Hitler did not declare war on the U.S. and American armed forces stayed out of the European conflict, focusing its military might on the Pacific.

In NORTH REICH, border skirmishes with Nazi-occupied Canada and saboteur efforts within U.S. escalate into a Nazi invasion. This novel presents a moving picture of Nazi-occupied Canada, what the U.S. response might have been, and how warfare on American soil could have played out.

on CASTRO'S BOMB:

"Robert Conroy is truly one of the top players in the field when it comes to imaginative well written tales. Be ready for some sleepless nights when you argue with yourself "I'll just read one more chapter," because Conroy's work is the type of book you simply can't put down."

- William R. Forstchen, author of NYTimes bestseller ONE SECOND AFTER and co-author of YORKTOWN and GETTYSBURG

on HIMMLER'S WAR

"Historical accuracy in the midst of creative speculation makes this piece of alternate history believable. It should appeal to fans of Harry Turtledove."

- Library Journal

on RED INFERNO:

"An ensemble cast of fictional characters ... and historical figures powers the meticulously researched story line with diverse accounts of the horrors of war, making this an appealing read for fans of history and alternate history alike."

- Publishers Weekly

Starred Review "Conroy's latest novel is substantially his best. It supposes that in 1945, President Truman decided to send American troops across the Elbe to claim the American share of Berlin. That catches Stalin in a paranoiac mood, and the Red Army attacks the force headed to Berlin...Add the prospective disintegration of the Western Alliance over the prolongation of the war ... and J. Edgar Hoover displaying a paranoia that rivals Stalin's, and every aspect of the scenario becomes engrossing and grimly plausible. Even the book's two well-realized romances add interest to the proceedings, and the suspense holds up literally to the last page. If Conroy's enthusiasm for alternate history leads to a sequel to this one, it will continue a story comparable to the best by the subgenre's masters."

- Booklist

on 1945:

"Conroy explores the carnage of war through numerous viewpoints (a naive American soldier, an escaped

POW, a Japanese-American operative, the deposed emperor, etc.) with moving and thought-provoking results.”

- Publishers Weekly

on 1942:

“A high-explosive what-if, with full-blooded characters.”

- John Birmingham, author of WITHOUT WARNING

“Fans of Tom Clancy and Agent Jack Bauer should find a lot to like here.”

- Publishers Weekly

“A significant writer of alternate history turns here to the popular topic of Pearl Harbor, producing what is arguably his best book.”

- Booklist

on 1901:

“The yarn is likely to please both military history and alternative history buffs.”

- Booklist

“This cleverly conceived alternative history proposes that Kaiser Wilhelm II launches an invasion of the U.S in 1901 after President McKinley summarily rejects a demand that he surrender Cuba and the Philippines to the Germans ... Conroy tells a solid what-if historical.”

- Publishers Weekly

From reader reviews:

Cameron Trammell:

The book North Reich can give more knowledge and also the precise product information about everything you want. So why must we leave a very important thing like a book North Reich? Several of you have a different opinion about publication. But one aim that book can give many details for us. It is absolutely proper. Right now, try to closer with your book. Knowledge or information that you take for that, it is possible to give for each other; you may share all of these. Book North Reich has simple shape however, you know: it has great and massive function for you. You can search the enormous world by start and read a book. So it is very wonderful.

Laura Thompson:

Nowadays reading books become more and more than want or need but also be a life style. This reading routine give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book which improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want send more knowledge just go with education and learning books but if you want truly feel happy read one using theme for entertaining like comic or novel. Often the North Reich is kind of reserve which is giving the reader unpredictable experience.

Kelly Cruz:

Information is provisions for anyone to get better life, information these days can get by anyone on everywhere. The information can be a expertise or any news even a huge concern. What people must be consider when those information which is within the former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you have the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take North Reich as the daily resource information.

Kenneth Jordan:

What is your hobby? Have you heard that question when you got pupils? We believe that that problem was given by teacher on their students. Many kinds of hobby, All people has different hobby. So you know that little person just like reading or as reading become their hobby. You need to know that reading is very important and book as to be the thing. Book is important thing to include you knowledge, except your teacher or lecturer. You see good news or update in relation to something by book. Many kinds of books that can you choose to use be your object. One of them is this North Reich.
