Scripture Robert Saucy

In a society saturated by the doctrine of tolerance and an air of post-modernism, one might wonder about the role and significance of the once almighty Scripture. Despite what some would consider a time of revival in the church, confidence in the Scripture is consistently being undermined by cynical attitudes and critical thinking. Saucy's commentary is relevant for the times and speaks to the questioning heart and mind. He confirms not only our need for Scripture, but also its authority, its inerrancy, and its impact.
