Texas Summer Terry Southern

An evocative, poignant coming-of-age novel set in rural Texas in the 1950s

Through events small and large, thirteen-year-old Harold Stevens grows up during a pivotal summer in the red-dirt backcountry of West Texas. With his friend C.K. Crow, the black field hand who works for Harold's father, he shoots deer and quail, fishes for catfish, mends fences, grows and learns about marijuana, and tests his emerging manhood against bullies, bulls, and the irresistible charms of his horse-riding older cousin. During a hysterical trip to a circus sideshow, Harold and a buddy sneak backstage to see "The Great Hermaphrodite" and the "funny little old Monkey Man," whom they try to buy a beer. But danger waits on the fringe of this innocent time. When C.K.'s brother, Big Nail, appears after escaping from a chain gang, an inevitable and violent confrontation between the brothers is set in motion—a confrontation that will mark the end of Harold's childhood.

This insideview of Southern's roots in Alvarado, Texas, where pastoral innocence belied an undercurrent of racism and violence, brings this novel of a boy's transition to maturity vividly alive.

This ebook features an illustrated biography of Terry Southern including rare photos and never-before-seen documents from the author's estate.

From reader reviews:

John Keys:

Information is provisions for individuals to get better life, information presently can get by anyone at everywhere. The information can be a expertise or any news even a huge concern. What people must be consider whenever those information which is from the former life are challenging to be find than now could be taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you get the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take Texas Summer as your daily resource information.

Josefina Smith:

This Texas Summer is great reserve for you because the content that is full of information for you who all always deal with world and still have to make decision every minute. This book reveal it info accurately using great plan word or we can point out no rambling sentences inside it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but tough core information with splendid delivering sentences. Having Texas Summer in your hand like having the world in your arm, data in it is not ridiculous just one. We can say that no reserve that offer you world inside ten or fifteen small right but this book already do that. So , this is good reading book. Hello Mr. and Mrs. occupied do you still doubt that?

Lee Fuller:

In this era globalization it is important to someone to receive information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information easier to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You can observe that now, a lot of publisher which print many kinds of book. The book that recommended for you is Texas Summer this publication consist a lot of the information in the condition of this world now. This particular book was represented how do the world has grown up. The language styles that writer require to explain it is easy to understand. The writer made some analysis when he makes this book. This is why this book suited all of you.

Thomas Pilcher:

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Texas Summer can make you experience more interested to read.
