The Painless Guide To Mastering Clinical Acid-Base

Benjamin Abelow

The Painless Guide To Mastering Clinical Acid-Base Benjamin Abelow

This concise, user-friendly book lets readers master all the fundamentals of clinical acid-base without confusion or frustration. The presentation on blood gases can be read separately as a complete, stand-alone tutorial. Very clear explanations of the anion gap and much more. Carefully structured case examples with detailed explanations help readers systematically integrate clinical knowledge. Excellent for both first-time learning and board preparation. Can be read cover-to-cover or by specific topic as needed. The low price makes this an ideal supplemental purchase for many categories of readers, including: all medical students, Advanced Practice nurses and nursing students, PA students, RT students, experienced nurses preparing for clinical certification (CCRN, PCCN, CEN) Med/Surg nurses upgrading their knowledge for "adaptable acuity" units, and residents and fellows seeking an enjoyable review of fundamental concepts.
