"All's Well That Ends Well Shortened" is an abridged version of Shakespeare's play "All's Well That Ends Well" that uses the Bard's own language. It is perfect for the amateur or professional acting troupe looking for a play that runs less than an hour on the stage. It is also a great resource for classroom English or Drama teachers who wish to cover more plays in less time (using the many other plays edited in this way). David R. Wellens, M.A. was educated at Amherst College and received his graduate degree at the University of South Florida.
