Behold: A Primer for Seeing God's Glory Tim Webb

Behold: A Primer for Seeing God's Glory is my attempt to strengthen the believers' resolve to see God continually and more gloriously through the means afforded us in Scripture. It is a devotionally written work that will hopefully exalt God in the hearts and minds of those who read it. My personal journey is a catalyst for this material. The more I see God, for who He is, the more I understand His mercy and grace, the better I behold Him. The more this happens, the more joyful obedience fills my life. The more grand and glorious we all see God, the better equipped we are to joyfully serve Him. I wrote with the average person in mind. This is for those who may not read much but have the desire. I was that guy at one time. I was intentionally brief but hopefully thorough enough to whet appetites for all. I hope it is written in such a way to appeal to the avid reader as well as the novice reader, to the new believer as well as the mature believer.
