## **In the Lion's Mouth (Tales of the Spiral Arm) Michael F Flynn**

It's a big Spiral Arm, and the scarred man, Donovan Buigh, has gone missing in it, upsetting the Harper Mearana's plans for a reconciliation between her parents. Bridget Ban, a Hound of the League, doubts that reconciliation is possible or desirable; but nonetheless has dispatched agents to investigate the disappearance.

The powerful Ravn Olafsdottir, a Shadow of the Names, slips into Clanthompson Hall to tell mother and daughter of the fate of Donovan Buigh. In the Long Game between the Confederation of Central Worlds and the United League of the Periphery, Hound and Shadow are mortal enemies; yet a truce descends between them so that the Shadow may tell her tale. There is a struggle in the Lion's Mouth, the bureau that oversees the Shadows—a clandestine civil war of sabotage and assassination between those who would overthrow Those of Name and the loyalists who support them. And Donovan, one-time Confederal agent, has been recalled to take a key part, willingly or no.
