Experience the ultimate forced feminization, BDSM and female domination in 'Slavery : Forced Feminization, chastity and BDSM : Part 2 : Operated on ! Forced Transexual.' where the protagonist endures extreme medical fetish and is given a reverse orchiplexy, feminine features, and a punishing surgical chastity belt. How will he adapt to his new life?

In part one 'Captured!' we found our protagonist drugged, and tormented by three beautiful women in front of an appreciative audience. After enduring a lengthy discussion about whether or not he should be castrated, he finds himself locked in a room full of female only attire.

Gradually, he is forced to become more feminine, all the while locked into his chastity belt and special chastity bra.

It all culminates in a sadistic surgery, while he's awake and able to experience every incision. A surgery to make him into a beautiful woman, but with a twist, a twist that means his male urges never go away, and forces him into a state of delicious permanent denial.

Will he escape? Can he get the surgery undone? Or will he accept his fate, and find satisfaction in his status as a fully surgically feminized male in a state of permanent denial because of his effective, permanent surgical chastity belt which only one person in the world can undo?

Warning : This short story contains a graphic description of 'awake' genital mutilation and trans-gender surgery.

Approximately 12,500 words.
