How bad could it be, Nicole Martin asked herself when she discovered her options were to take the role or face criminal charges with her 'big' sister, Brandy? Actually, it didn't sound nearly as bad as she'd expected once the producer/blackmailer explained. The filming would be done in low light situations. No one would ever get a really good look at her face. And it was just acting anyway, right? They weren't actually going to do all those things.... Rating: carnal/erotica-adult situations and language, mild/moderate bdsm, multiple sexual partners, multiple heroes, voyeurism, male and female sibling voyeurism, blindfolded sex, countless ménages through oilrigs and sandwiches, BDSM rack sexual device, spanking, cum shots everywhere, group sex, dick jacking, dick piercing/metal galore, sexual domination, forced seduction, training of a submissive, constant fondling, constant head, constant sex on camera, violence through fights from Doms and Doms in training, and lots of male possessiveness.
