The 20-Weeks Garden Tracker- This little 32-page book includes everything you need to document your grow from weekly chores to nutrients to a fully illustrated week-by-week calendar. It's exactly the book you need to buy because you don't want to have to learn the same lesson twice when growing weed because that gets expensive in a hurry. That's also why you should watch my YouTube (Grow Boss) videos about growing and buying equipment because what do i always say about the failure rate of weed growers. It's 85%, that's right 85% of those that start growing weed quit within 6mo. trust me i know, i own a hydro store and i buy their equipment back.
