Will Willy be another type of animal?

No!

Still a gorilla!

In this fun, zany picture book, Willy the Gorilla imitates other animals at the zoo, including a lion, a walrus, a billy goat, an alligator, and a kangaroo. But pretending to be something he is not "never" works out. What if he just tried to be himself?

In the end, Willy is still a gorilla -- and that's something everyone can appreciate! "Still a Gorilla!" is a funny, wacky, rhyming picture book that teaches the importance of being yourself.

From reader reviews:

Jonathan Gomes:

Book is actually written, printed, or outlined for everything. You can know everything you want by an e-book. Book has a different type. As we know that book is an important matter to bring us around the world. Beside that you can use your reading talent fluently. A guide Still a Gorilla! will make you end up being smarter. You can feel much more confidence if you can know about anything. But some of you think this open or reading some sort of book makes you bored. It is far from making you fun. Why they may be thought like that? Have you searched for the best book or ideal book with you?

Tony Caldwell:

Here is the thing why this particular Still a Gorilla! is different and reputable to be yours. First of all, examining a book is good, however it depends on the content of it, which is as tasty as food or not. Still a Gorilla! gives you information deeper since different ways, you can find any e-book out there, but there is no e-book that is similar to Still a Gorilla!. It gives you a thrill looking at a journey, it opens up your eyes about the things that happened in the world, which is perhaps can be happened around you. It is possible to bring everywhere like in a park, café, or even in your means home by train. In case you are having difficulties in bringing the published book, maybe the form of Still a Gorilla! in e-book can be your alternative.

Barbara Folsom:

Precisely why? Because this Still a Gorilla! is an extraordinary book that the inside of the book is waiting for you to snap the item, but later it will distress you with the secret idea inside. Reading this book alongside it was a fantastic author who also wrote the book in such an awesome way that makes the content within easier to understand, an entertaining approach but still conveys the meaning totally. So, it is good for you because of not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of benefits than the other book gets, such as help improving your ability and your critical thinking technique. So, still want to hold up having that book? If I had been you, I will go to the guide store hurriedly.

Annie Resnick:

Beside this specific Still a Gorilla! on your phone, it may give you a way to get nearer to the new knowledge or data. The information and the knowledge you will get here is fresh through the oven, so don't become worried if you feel like an aged person lives in a narrow town. It is a good thing to have Still a Gorilla! because this book offers you readable information. Do you at times have a book but you rarely get what it's about. Oh come on, that will not happen if you have this in the hand. The enjoyable option here cannot be questionable, like treasuring a beautiful island. Techniques you still want to miss it?
