Unanswered Bible Study Book includes a small-group experience for six sessions, individual study opportunities for each day of the week, applicable Scripture, “How To Use This Study,” and a group discussion guide. Back matter includes tips for a group leader.

We live in a radically skeptical age. Tough questions are being asked about Christianity. And most believers are ill-equipped to provide the answers our culture and communities desperately need. Many in today’s church do not know the Bible as well as they should and they struggle with their own “big questions” about the faith.

This study provides precisely what the church needs today: tools and answers! It addresses several challenging topics, including mental health and suicide, paranormal activity, the resurrection, how we got the Bible, suffering, and why God is sometimes silent. The study will show you how to answer, how to explain, and how to respond in a deeply winsome and attractive way, as a thoughtful ambassador of Jesus. You will leave this study enriched, characterized by a thinking faith, capable to communicate confidently, and committed to escape the tendency to offer trite answers to a skeptical world.
