Today's young people are more intelligent, informed, and inquisitive than ever before. They are often inclined to question things previous generations have taken for granted -- things such as religion. This book gives young Catholics a deeper appreciation of their faith and offers understanding and encouragement in dealing with faith-related doubts and setbacks.

With his usual reader-friendly, humorous approach, popular author Jim Auer cuts through all of the downtalking, finger-pointing, and guilt-tripping young people often associate with religion to provide concrete reasons for living a Catholic life.

64-page booklet; 5-1/8 x 7-3/8
