Wolves are dangerous, but Mya doesn't realize how dangerous until she falls in love with one.

Mya Reynolds' life is everything a young college girl could want. She has great parents and an awesome best friend, but the day she stares into the eyes of a gorgeous Native American biker, it all comes crumbling down around her. The love Mya finds with David consumes her body and soul, but that love also threatens to destroy her and everyone she loves.

David Bray isn't just some ordinary guy; he is the alpha of the wolves known to the Navajo as the Sinapu. It is his duty as alpha to protect the people, but when that duty requires that he kill the one woman that has managed to capture his heart, he is torn between love and what he knows must be done.
