The last thing I need is another complication.....

I'm a witch. My best friends know my secret so I no longer have to hide the truth. I should be relieved. My life should be easier than it was before. Unfortunately, things are rarely that simple.

Making matters worse, I feel a profound connection to a vampire named Finn. I see him in my dreams. He's under my skin and consumes my every thought. I try to resist, but he's always there and every time I look into his eyes, I find myself drowning in emotions I can't understand. My mind tells me I shouldn't be his, but my heart won't let me walk away, even when my life depends on it.

Then I discover the supernatural underworld is on the brink of a war that could destroy us all. As lines are drawn and sides are taken, I face an impossible choice: give up the vampire that's captured my heart or abandon my Coven when they need me the most?

This book is for readers 18 and up. It contains explicit sexual content.
