Not Safe For Work (NSFW) Michael S. Booker

A month after breaking up with his long-term girlfriend, Eric Dennis decides to go to a gay club one night, something he has wanted to do for a long time. He does not expect much out of the experience: just have one drink and go home. Yet when he meets Mathew Campbell, a very attractive man with an adventurous spirit and a sharp sense of humor, Eric throws all caution to the wind.

Months after their initial encounter, Eric is looking for a personal assistant, and is astonished when Mathew comes in for an interview. A long time has passed since they last saw each other, but the chemistry between them is vibrant as ever. Against his better judgment, Eric hires Mathew, and thus begins a challenge for Eric to keep his personal and professional life from clashing. As Eric's attraction to Mathew continues to grow, so does the danger of his family, friends, and coworkers finding out the secret that Eric has worked hard to keep hidden for so long.
