Twenty-six year old Gabby Williams has done everything right and it's paid off. She has a great job, an enviable apartment, and a competitive education to fall back on. Her life is perfectly planned out, and is also perfectly boring. She knows she has to do something to get out of her rut, or she'll never have the social life or love life she craves.

On a whim, she crosses paths with Sloane -- the sexy, tatted up bad boy who owns the hottest tattoo parlor in town, and also happens to be a member of the BearDevils Motorcycle Club. Everything about him screams bad news, but his sparkling blue-green eyes and perfect abs make her drool.

Besides, she's been a good girl her whole life, she knows she deserves one night of being bad. What could go wrong?

It's all fun and games when Sloane takes her on the ride of her life, daring her to walk on the wild side, and pushing her boundaries to the limit. But when a dangerous rival from his past arrives to settle a decades old score, he's intent on making Gabby his prey. Can Sloane protect his mate from a sadistic hunter? Or will his choices spark a war that's bigger than the both of them?

*TRUTH OR BEAR is a 30k word standalone shifter romance novella, with no cliffhanger and a HEA.*
