Frog Claire Thompson

In this disturbing tale, a young woman is abducted by a sadistic couple intent on reducing her to a sexual object in the most literal sense. The reader is drawn into a world where sensuality is blurred and splattered by the harsh brush of abuse. The exploration is as much a matter of the mind and soul as of the body. Jane, called “frog” by her captors, learns to adapt as her world shrinks to the avoidance of pain and the seeking of pleasure. Ironically, her captivity frees her to finally appreciate a life she took for granted, and even in her sexual prison she discovers small joys and ultimately, redemption.
