Private Life

Josep Maria De Sagarra

Private Life Josep Maria De Sagarra

Private Life holds up a mirror to the moral corruption in the interstices of the Barcelona high society Sagarra was born into. Boudoirs of demimonde tramps, card games dilapidating the fortunes of milquetoast aristocrats - and how they scheme to conceal them - fading manors of selfish scions, and back rooms provided by social-climbing seamstresses are portrayed in vivid, sordid, and literary detail.

The novel, practically a *roman-à-clef* for its contemporaries, was a scandal in 1932. The 1960's edition was bowdlerized by Franco's censors. Part Lampedusa, part Genet, this translation will bring an essential piece of 20th-century European literature to the English-speaking public.
