Following a lead south to find a missing female shifter, Greer and Calder land in the middle of bear country. Grayslake, Georgia to be exact. Everything there seems innocent enough until their questions begin to ruffle fur and their oddball waitress at the local diner has a meltdown. Leaving Greer covered in an order of chili cheese fries and obsessed with one curvy, but clearly unstable woman.??

Lily Hale moved to the small southern town to get as far away from her bleak, Alaskan backwoods family as she could. All she wants is a little color in her life and a taste of freedom. Getting involved with a wolf shifter seems like the last thing she should do.?? Except she kissed him and now he won't go away. She also can't shake the feeling her life is about to implode.

Is Greer the kind of man who'd stand up to her family of savage werebears and protect her? Of maybe she can become the woman who stands on her own.?
