## **Ikigai** Sebastian Marshall

The word IKIGAI comes to us from Japan--land of the samurai, intense death-defying effort, masterful artistry, harmony with nature, and devoting yourself obsessively to a path.

Ikigai's closest meaning is *\*raison d'être\** in French--what one lives for, what makes your life worth living, why you inhale and exhale each breath.

But Ikigai goes further than that, to the point where your passions and obsessions can consume you ... think of the artist or inventor all-consumed by his work, the boxer who lays his body and mind on the line in every fight, or the gardener whose mind is perfectly still among his creation.

Have you found your Ikigai yet? This book is for you.

In a series of essays on philosophy, history, strategy, planning, and achieving, this book is about living purposefully and with meaning.

### From reader reviews:

#### **James Sandifer:**

Do you have favorite book? Should you have, what is your favorite's book? Book is very important thing for us to learn everything in the world. Each book has different aim or maybe goal; it means that guide has different type. Some people truly feel enjoy to spend their time to read a book. They are really reading whatever they get because their hobby is actually reading a book. Consider the person who don't like looking at a book? Sometime, person feel need book if they found difficult problem or maybe exercise. Well, probably you will want this Ikigai.

#### **Mary Deleon:**

Book is definitely written, printed, or outlined for everything. You can learn everything you want by a publication. Book has a different type. As we know that book is important factor to bring us around the world. Beside that you can your reading skill was fluently. A publication Ikigai will make you to possibly be smarter. You can feel much more confidence if you can know about every thing. But some of you think that will open or reading the book make you bored. It isn't make you fun. Why they may be thought like that? Have you searching for best book or appropriate book with you?

#### **Joan McCorkle:**

In this 21st millennium, people become competitive in every way. By being competitive currently, people have do something to make these survives, being in the middle of often the crowded place and notice through surrounding. One thing that oftentimes many people have underestimated the item for a while is reading. Yeah, by reading a reserve your ability to survive raise then having chance to stand than other is high. To suit your needs who want to start reading some sort of book, we give you this kind of Ikigai book as basic and daily reading book. Why, because this book is usually more than just a book.

#### **Helen Richards:**

Information is provisions for individuals to get better life, information today can get by anyone from everywhere. The information can be a know-how or any news even a problem. What people must be consider while those information which is inside former life are hard to be find than now is taking seriously which one is acceptable to believe or which one the resource are convinced. If you receive the unstable resource then you understand it as your main information it will have huge disadvantage for you. All those possibilities will not happen inside you if you take Ikigai as the daily resource information.
