Monkey: A Journey to the West David Kherdian

Part spiritual pilgrimage, part historical epic, the folk novel *Journey to the West*, which came to be known as *Monkey*, is the most popular classic of Asian literature. Originally written in the sixteenth century, it is the story of the adventures of the rogue-trickster Monkey and his encounters with a bizarre cast of characters as he travels to India with the Buddhist pilgrim Tripitaka in search of sacred scriptures. Much more than a picaresque adventure novel, *Monkey* is a profound allegory of the struggle that must occur before spiritual transformation is possible. David Kherdian's masterful telling brings this classic of Chinese literature to life in a way that is true to the scope and depth of the original.
