When a visit to the Tower of London triggers an overwhelmingly real vision of a beheading that occurred centuries before, Cole Ryan fears she is losing her mind. A mysterious boy, Griffon Hall, comes to her aid, but the intensity of their immediate connection seems to open the floodgate of memories even wider. As their feelings for each other grow, Griffon reveals their common bond as members of the Akhet-an elite group of people who can remember past lives and use their collected wisdom for the good of the world. But not all Akhet are altruistic, and a rogue member is after Cole to avenge their shared past.

Full of danger, romance, and intrigue, *Transcendence* breathes new life into a perpetually intriguing question: What would you do with another life to live?
