## **Vince Flynn 1st Edition Hardcover Collection (Mitch Rapp Series) 14 Books** Vince Flynn

This is a collection of Vince Flynn's New York Times best selling political thriller series. Mitch Rapp, is an aggrieved college student who just lost the love of his life in a terrorist attack. This is the story of his journey to redemption and retribution found in going to work for the CIA clandestine services. He is trained to be the most deadly weapon that terrorist do not know is hunting them. Term limits is a prequel to the Mitch Rapp character, that brings a cast of supportive characters that continue through the series. Quoted on the back cover... "Term Limits is a... roller-coaster, edge-of-your-seat thriller with loads of insiders' lowdown on D.C. politics." - Minneapolis Star-Tribune. Sadly Vince Flynn passed away in June of 2013. His work will continue vicariously through Kyle Mills. This collection is all first edition hardcover books Vince Flynn authored himself. This is the only collection of its kind in existence that I am aware of. All books have good quality dust covers since the day they were purchased. They are all in very good condition, I would say most are in "like new" condition. Collection includes: Term Limits, Transfer of Power, The Third Option, Separation of Power, Executive Power, Memorial Day, Consent to Kill, Act of Treason, Protect and Defend, Extreme Measures, Pursuit of Honor, American Assassin, Kill Shot, The Last Man
