Alphabet Kathy Page

"Simply an epiphany."—*Kirkus*, starred review

Simon Austen has the names people have called him tattooed all over his body. *Waste of Space. Bastard. A Threat to Women. Murderer.* Facing a lifetime behind bars and subjected to new therapies for sexual reprogramming, Simon finds himself plunged into a terrifying process of self-reconstruction. But how much, in the end, can a man really change? Darkly compelling and deeply moving, *Alphabet* is a psychological exploration of one man's uncertain and often-harrowing journey towards rehabilitation.

"Intense, revealing, challenging and above all riveting ... I kept saying to myself, how could she know this?"—Erwin James, convicted murderer, author of *A Life Inside: A Prisoner's Notebook*

"Sometimes novelists go too far—and sometimes they manage to demonstrate that too far is the place they needed to go."—*Time Out UK*

Praise for Kathy Page

"Her unforgettable prose is moody, shape-shifting, provocative and always as compelling as a strong light at the end of a road you hesitate to walk down...but will."— Amy Bloom, author of *Where the God of Love Hangs Out*

"Marvellously well-crafted ... I can't remember the last time I was so compelled, impressed and unsettled by the emotional world of a novel."— Sarah Waters, author of *Tipping the Velvet*

From reader reviews:

Della Richardson:

Do you have favorite book? In case you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world. Each book has different aim as well as goal; it means that guide has different type. Some people sense enjoy to spend their a chance to read a book. These are reading whatever they consider because their hobby is usually reading a book. How about the person who don't like studying a book? Sometime, man or woman feel need book after they found difficult problem or maybe exercise. Well, probably you'll have this Alphabet.

Jenny Davis:

What do you ponder on book? It is just for students as they are still students or it for all people in the world, the actual best subject for that? Simply you can be answered for that problem above. Every person has different personality and hobby per other. Don't to be pushed someone or something that they don't would like do that. You must know how great as well as important the book Alphabet. All type of book are you able to see on many resources. You can look for the internet methods or other social media.

William Oden:

Here thing why this specific Alphabet are different and reliable to be yours. First of all studying a book is good but it depends in the content of it which is the content is as tasty as food or not. Alphabet giving you information deeper since different ways, you can find any book out there but there is no guide that similar with Alphabet. It gives you thrill examining journey, its open up your own eyes about the thing which happened in the world which is possibly can be happened around you. You can easily bring everywhere like in playground, café, or even in your way home by train. In case you are having difficulties in bringing the printed book maybe the form of Alphabet in e-book can be your option.

Clyde King:

Spent a free the perfect time to be fun activity to complete! A lot of people spent their free time with their family, or their particular friends. Usually they undertaking activity like watching television, likely to beach, or picnic inside park. They actually doing same every week. Do you feel it? Will you something different to fill your free time/ holiday? Can be reading a book could be option to fill your totally free time/ holiday. The first thing that you will ask may be what kinds of book that you should read. If you want to consider look for book, may be the guide untitled Alphabet can be good book to read. May be it may be best activity to you.
