Kate Jergens presents her life as the picture of perfection to everyone outside her close-knit circle. Old insecurities prevent her from letting people see who she really is. As the holidays approach, events cause those insecurities to reappear.

When Luke Tatum catches his co-worker, Kate, with her guard down he realizes he doesn't know her as well as he thought. As he discovers who Kate really is behind her mask of flawlessness, his admiration for her grows and he finds himself more drawn to her.

When faced with the possibility of losing someone she loves, Kate's faith wavers. This Christmas season, will she accept support from the man who loves her or will she push him away?

A Come to Me series companion novella that can also be read as a standalone.
