First Destiny, the first book in the Landon Series, begins the journey of a young man whose life must undergo profound changes after he is freed from years under an oppressive Regime. With the lives of those he comes to care about, especially the woman he falls in love with, and the survival of an entire town hanging in the balance, Cade Landon learns about a dark family mystery, the true meaning of love, and whether he has what it takes to give up everything for a cause greater than himself.

In the end, it's the simple question of a ten year old girl that will haunt Cade and change his life forever.

First Destiny is a futuristic thriller that provides a heart-pounding dive into what it takes for a country to start over and what kind of souls must rise up from the ashes to lead the charge.
