Holy Bible - MSTC William Tyndale, Miles Coverdale, Shawn McDonnell

The First English Version of the Bible ever printed, this epoch-making work by William Tyndale and Miles Coverdale is presented for the first time complete in one volume in Modern Spelling. The TC translation is the foundation and true source of the celebrated King James Version. But where the KJV freely modifies the text, so that God's Word might better conform to "ecclesiastical traditions", the TC presents the Scriptures as they were delivered: without modification, ammendment, or compromise. This deluxe printed edition of the "MSTC" is illuminated with over 150 engravings and extensive helps, including Biographical Notes and Essays, Holy Land Maps, and a Concise Concordance.
