Exploring Medical Language: A Student-Directed Approach

Myrna Lafleur-Brooks, May S. Chaney

Exploring Medical Language: A Student-Directed Approach Myrna Lafleur-Brooks, May S. Chaney
Brooks presents a systematic introductory approach to the language of medicine. She begins with Greek and Latin words, explaining the rules for combining them to form medical terms, and then covers their use in a body system format. New discussions include recently developed surgical and diagnostic procedures and medical terms common to the diagnosis and treatment of AIDS.
