What does Rusty Quinn do when her mom loses touch with reality, her best friend's dad explodes over a kiss, her other best friend gets committed to a psych ward, and the sanest person she knows is an egotistical Finnish exchange student who swears in a language nobody understands? She could write a soap opera, of course - or go to Mardi Gras. In fact, she could do both!

Funny how destiny comes down to single choices, focused moments, and split-second decisions. Can running away to Mardi Gras really change four lives forever?
