Having barely escaped the clutches of the undead, the survivors of *The Breadwinner* are headed into the unknown to continue their search for solace in the post-apocalyptic landscape. Once a paradise for the living, the city of Haven is now crawling with flesh hungry creatures—yet it could be their only hope.

Veronica, Samson and the others take a chance on the promises of Gary, a solitary survivor. Is the light-hearted newcomer all that he seems or are there sinister motives hidden behind his hospitality?

Can Michelle and Lulu, two ordinary women faced with extraordinary horrors and obstacles, make it to safety? Or will they each become just another undead face in the hordes roaming the streets of Haven?

When tragedy strikes, worlds collide, and the survivors must band together against their common enemy. But remember, who you were does not determine what you will become in the face of a catastrophe. The dead may no longer be their greatest threat.

Welcome home. Haven is hell.
