## La vérité sur le programme du Front national (French Edition) Maël DE CALAN

Alors que le Front national n'en finit plus de monter dans les sondages et que son accession au pouvoir devient une hypothèse plausible, il n'existe pas d'analyse simple, rigoureuse et grand public de son programme électoral. Qu'en sait-on véritablement, en dehors de quelques slogans (sortie de l'euro, préférence nationale...) et du fait qu'il serait 'absurde' ?

Depuis que le FN a glissé de l'extrême droite vers le populisme, et que les réponses traditionnelles liées à la lutte 'antifasciste' ne parlent plus aux Français, la classe politique semble désarmée face au FN. Elle encaisse les coups sans parvenir à les rendre. Tout au plus, quelques essais généralistes ont été publiés, mais ils ratent leur cible faute d'être suffisamment précis.

C'est pourquoi, même si l'immense majorité des Français qui crient leur colère en votant FN n'ont pas lu son programme, il est essentiel d'en faire une lecture critique. Pour donner aux électeurs des clés de lecture, et des arguments en réponse. Et pour bien faire comprendre à ces millions de Français dégoutés de la politique qui veulent simplement 'essayer autre chose', à qui ils donnent leur confiance et ce pour quoi ils votent. ' Maël de Calan
