## **If you could ask Heaven one question, and receive an answer, what would it be?**

Faith, a desire to believe, is as much a power as it is a belief. When channeled through prayer it can create a communicative passageway to a loving Heavenly Father who is anxious to bless us with His guiding spirit. Each life has a divine purpose, a plan, set forth in the eternities as a course back to God's presence. We must learn to trust Him and rely on His direction to fulfill our greater purpose.

Create and manage your life, welcoming His Holy Spirit to influence you for good, listening to the angels that are sent from on high to guide your steps. Thankfully, we all have earthly angels that bless our lives every day; our parents, siblings, friends and more, but there are heaven-sent beings, as well, who know and watch out for just you. These messengers carry life-changing instructions from a Father through powerful, spiritual prayers.

Do you want and desire divine help and assistance? “Seek and ye shall find.” The key is in the seeking. In this unique book you'll learn the value and essence of asking “in faith for that which is right”.
